

# PAMLICO ROSE NEWS—UPDATE

## Garden Party Just Days Away!

*“...help make our gardens, community gardens.”*

Just a few days till the November 4th Garden Party for the Rose Haven Gardens and Center of Healing. It was this weekend in November of 2017 that we had our ribbon cutting and there has been much progress with still more progress to go. You can never have too many celebrations that mark a journey of sweat and effort of the many who continue to give time and support to the mission of Rose Haven. Come enjoy refreshments, members of the Beaufort County Chamber

Orchestra, and a chance to see the progress made to Rose Haven and the properties over the last year. We will announce a grant for military Veteran artists and partnership with Arts of the Pamlico. Finally, we invite folks to learn more about the vision for the Rose Haven Center of Healing and help make our gardens community gardens. Festivities start at 230 pm and admission is free, donations gratefully accepted.

## More walkways and clearing!

Paver walkways and other hardscape continue to appear at Rose Haven. We want all part of the gardens to be handicap accessible and provide enjoyment for all. We have also started clearing the back fence line of our two lots to expose more our “tree of life” and make way for our bioretention area.

## Urban Set Bride Pamlico Rose Fundraiser is a success!

The Richmond, VA wedding event planner and dress retailer, Urban Set Bride fundraiser and wedding dress raffle for Rose Haven was a great success. The raffle/fundraiser and t-shirt sales raised \$3500 for Rose Haven Center of Healing.

## Pamlico Rose Outreach

Recent outreach includes a visit to WIMCO to highlight their continuing critical support, Pamlico Rose taking part in the Greenville Veteran Center’s Open House, Robert Greene Sands presenting to the Daughters of American Revolution of Greenville (thanks to DAR for their donation as well) and a booth at the recent Smoke on the Water in Washington, NC.

## Save the Date/Healing Vets Weekend

Reserve May 3rd and 4th for the 2019 Healing Vets Weekend! Military Veteran Art Exhibit and VET Talks—IBX on May 3rd and our sunrise yoga, Ride for Rose Haven: supporting women Veterans, Veteran Outreach Fair and community concert May 4th. Stay tuned for more information.

Stay tuned for our Capital Giving Campaign to help close out 2018 and prepare for 2019!
